

In an effort to make San Francisco a Zero waste city by 2020, we are asking all incoming residential students to become "Green Gators".

# MAKE YOUR MOVE-IN DAY SUSTAINABLE

## HOW TO BECOME A GREEN GATOR

### CONSIDER RECYCLING, COMPOSTING, AND PROPER DISPOSAL OF E-WASTE

Please join environmental friendly clubs! To learn more, visit SFSU's Green Team web page at [sustain.sfsu.edu](http://sustain.sfsu.edu) for a complete list of organizations on campus.

#### COMPOST

#### RECYCLE

#### LANDFILL

## COME WITH

### REUSABLE WATER BOTTLES

To reduce the use of plastic bottles consider using reusable water bottles.

## PACK LIGHT

Packing light will not only help the environment but also make your move to SFSU easier.

## PACK IN

### REUSABLE CONTAINERS

Last year we diverted tons of cardboard boxes from landfills by using reusable containers.

Let's do even better this year!
