

Help Make

San Francisco State University *A Green Campus*

Recycling and Composting

Single Stream Recycling makes it easy - put all bottles, cans & paper into the recycle bin. 76%

Go to the SF State Bookstore to recycle batteries and print cartridges

Compost your food waste on campus
Compost is collected at:

- City Eats Dining Center
- The Vista Room in Burk Hall
- Cesar Chavez Student Center

SF State has reached its goal to remove **76%** of waste from landfill ahead of schedule. Zero waste is on the horizon.

Alternative Transportation

Let someone else drive while you study for that exam.

Free Shuttles to Daly City **BART**
@ 19th Ave
or University Park North

SF **Muni M** Line connects you to the City
@ 19th Ave

Ride your bike! Attended Parking @ the
Bike Barn M-Th 7.30a - 10p, F 7.30a - 5p

SF Bike Coalition map of SF online @

Our Waste Matters!

***Reduce • Reuse • Recycle
Rethink***

Green Living in Campus Housing

Everything from urban edible gardening to the new **“Green Apartment.”**

Get involved in the Residence Halls:

TREO - Environmentally responsible living in the Towers

Contact housing@sfsu.edu

HERO - Sustainability focused community for all of the Res Halls

Contact sfsu.hero@sfsu.edu

ECO Digs - Sustainable and Socially-Just Living/Learning Co-op

Contact housing@sfsu.edu

ECO Students - Environmental Studies Department's Student Organization

Contact ecoforce@sfsu.edu

Water and Energy Conservation

Refill your water bottles in Cesar Chavez Student Center with **filtered water**.

Low flow and automatic faucets are installed on campus. Report leaky faucets to Facilities @ 388-1568.

Don't forget to **turn off your lights and computer** when you leave the room.

Replace inefficient light bulbs and use Compact Florescent Lights (CFLs).
